Career Objective

Driven and detail-oriented Information Science student passionate about applying data-driven approaches and AI technologies to solve real-world problems. Committed to developing scalable, efficient, and intelligent solutions while continuously expanding technical expertise and contributing to impactful projects in the field of computing and artificial intelligence.

Educational Qualification

- **NMAM Institute of Technology, Nitte** – B.E. in Information Science CGPA: **8.37 / 10.0**
- **Excellent PU College, Sunnari, Kundapura** – 2nd PUC Percentage: **91.2%**
- **Gurukula Public School, Vakwady, Koteshwara, Kundapura** – SSLC Percentage: **93.60%**

Internship Experience

AR/VR Development Intern *NMAM Institute of Technology & ARK Solutions — 2 Months*

- Developed AR/VR applications using Unity and C#, including an **Interactive Car Accessories (AR)** visualization tool.
- Built a **VR Gallery Walkthrough** simulating interactive real-world gallery environments.
- Implemented spatial mapping, object interaction, scene transitions, and system optimization.
- Collaborated in an immersive hands-on workshop focused on AR/VR app workflows.

Projects

- **PhishGuard-AI** – Frontend for phishing detection *CSS, TypeScript*
- **Simple Face Detection** – Real-time detection using OpenCV *Python, OpenCV*
- **Smart Insurance App** – React-based claim adjudication system *React, JavaScript*
- **Network Speed Heatmap** – Network speed visualization tool *TypeScript*
- **Bus Fleet Management System** – Real-time fleet tracking *JavaScript, HTML/CSS*
- **FinNovate** – Financial innovation dashboard *JavaScript*

Technical Skills

- **Programming:** Python, JavaScript, TypeScript, C, C++
- **Frameworks/Tools:** React, TensorFlow, OpenCV, Git, Unity, Vite
- **Cloud/Platforms:** Google Cloud, Firebase, Linux
- **Other Skills:** Data Structures, ML Model Development, AR/VR Design

Courses & Certifications

- **Unity AR/VR Development** – Unity Technologies
 - Mobile AR Development – *18 June 2025*
 - VR Development – *23 June 2025*
- **Microsoft AINNOVATION 2025 Learning Challenges** – Microsoft
 - Microsoft AI Learning Challenge – *7 Sept 2025*
 - Applied AI Learning Challenge – *12 Sept 2025*
 - Microsoft Azure Learning Challenge – *24 Aug 2025*

Hobbies

Volleyball, Music, Travelling
