Objective

Seeking opportunities to apply technical knowledge toward solving practical problems and developing efficient, scalable solutions while continuously enhancing skills and contributing to impactful technology-driven projects.

Education

NMAM Institute of Technology, Nitte	CGPA: 8.39
B.Tech in Information Science and Engineering	2023–2027
Excellent PU College, Sunnari, Kundapura	91.83%
Second PUC	2021–2023
Gurukula Public School, Koteshwara, Kundapura	93.60%
SSLC	2020–2021

Experience

AR/VR Development Intern	2 Months
--------------------------	----------

NMAM Institute of Technology & ARK Solutions

- Developed AR car accessories visualization app using Unity and C# (visual ground detection, spatial mapping, object interaction)
- Built interactive VR gallery walkthrough simulating virtual exhibition environment

Projects

• FinNovate – Financial Analytics Dashboard	2025
– Displays financial data using charts and dashboards for better visualization	
– Helps users analyze trends and make informed financial decisions	
• AR Car Accessories Visualizer	2025
– Uses Augmented Reality to place and preview car accessories (like wheels, spoilers)	
– Helps users visualize modifications before purchasing and compare different options	
• Bus Fleet Management System	2025
– Stores and manages transportation data such as bus details, routes, and schedules	
– Provides an interface to log, view, and organize fleet information efficiently	

Technical Skills

Programming:	Python, Java , MongoDB
Frameworks / Tools:	React, Vite, Node.js, ARCore
Other Tools / Platforms:	Unity, Vuforia Engine, Firebase
Soft Skills:	Leadership, Communication, Adaptability

Courses and Certifications

Unity Technologies

- Unity VR Development – June 2025
- Mobile AR Development – June 2025

Microsoft AI Innovation 2025 Learning Challenges

- Microsoft AI Learning Challenge – Sept 2025
- Applied AI Learning Challenge – Sept 2025
- Microsoft Azure Learning Challenge – Aug 2025

Additional Information

Hobbies: Athletics (100m Sprint, Long Jump), Volleyball, Music

Languages: English, Kannada
